

PA

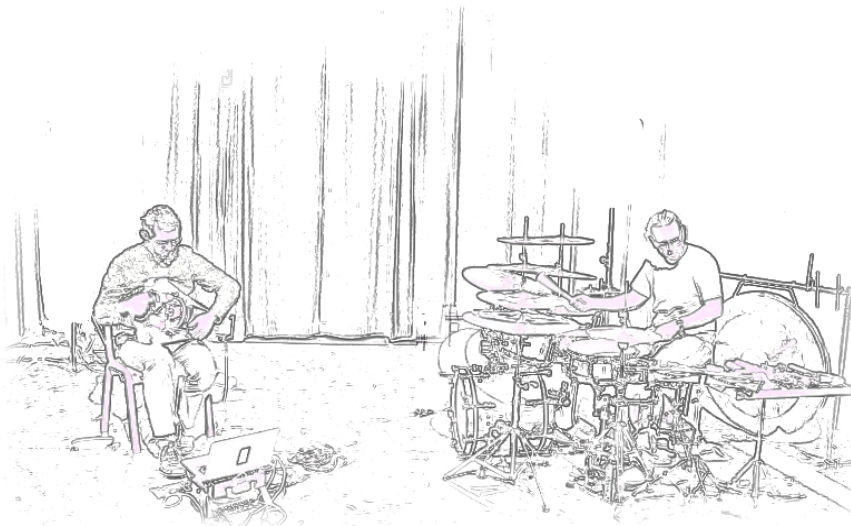

fitting to the room, reverb
two monitors (min 12" LF)

Matthias Loibner - hurdy-gurdy, electronics

electronics outputs: 2x XLR (symetric)
1 piano bench or chair without armrests
1 small chair, stool or a cube/box (min 30x30x30cm)
1x 110/220V

Lucas Niggli - drums, percussion

20" or 18" BassDrum (without hole in the resonant-head)
14" Snare Drum, wood.
10" TomTom, mounted on bassdrum, not rack !
14" or 16" FloorTom, on own three legs, not suspended !!
!! ALL drums must have white-coated heads, no transparent skins !!
3 Cymbal-Stands
1 Hihat Stand (including the top-holder)
1 Double -Bassdrum-Pedal!!
1 Snare Stand
1 Drum-Seat
A little table, low (in the size 1x1m)
In general the drum-set should be a Jazzv-Serie. not a Rock-Serie.
